Food Hygiene Rating

Dear Parents and Carers,

We had our 'no-notice' Environmental Health Inspection yesterday. **I am delighted to report that we are now rated 5 (the top rating).**

The Environmental Health Officer who conducted the inspection was the same lady who has visited us on the previous 2 occasions

The inspector was over the moon and commented that we have gone above and beyond, not just complying with the legislation but going far above and our standards are extremely high. She said the food safety and hygiene, the kitchen environment and the management were all excellent and that we were providing a super service.

Huge congratulations to Mrs Loveina Harris - our Cook and Miss Georgie Harris - our Kitchen Assistant who work extremely hard to achieve such high standards and provide and an excellent service for the children.
